

Triple Time Sudoku

Sudoku requires no math. Simply make sure that each 3x3 square region has a number 1 through 9 and that the number only occurs once. Each column and row of the large grid must have only one instance of the numbers 1 through 9.

	1				3		2	8
	8				4	6		
3		6					1	9
			1	7	3			
7			2	9				1
		3	4	6				
6	7					9		3
		1	7				5	
5	9		3				7	

"...and I can shred 275 words per minute."

Riddle Rhymes

1. My mission's always under cover,
Best pursued where bright lights hover.
Ignore the way that I am dressed,
It's just the way I was impressed.
My ancestors live in the wood,
But my leaves are best understood.
What am I?
2. One of us falls but never breaks.
One of us breaks but never falls.
What are we?

3. I can be long, or I can be short.
I can be grown or I can be bought.
I can be painted, or left just bare.
I can be round at the tip, or just left square.
What am I?
4. Dark with white markings,
And smooth like a rock.
Where learning occurs,
I help convey thought.
What am I?

What our clients say about us...

I was treated with respect from the first contact with receptionist to the end of the inspection. Information that was given to me was thorough and useful. Brenda P., Stevens Point

I liked the picture CD with voice narration, very thorough, binder w/excellent additional information. Megan G., Stevens Point
