Sunday School Stories

At Sunday School they were teaching how God created man and how Eve was created from of one of Adam's ribs.

The next day little Johnny's mother saw him lying down as though he were ill and asked what was the matter.

He responded, "I have a pain in my side. I think I'm going to have a wife."

After church one Sunday, a young boy suddenly announced that he wanted to be a minister when he grew up. His mother asked him why he had decided that.

"Well," the boy replied, "I'll have to go to church anyway, and I figure it will be more fun to stand up and yell than to sit still and listen."
